[WELCOME](#) [SENIOR](#) [INTERMEDIATE](#) [7-A-SIDE TABLES](#) [7-A-SIDE CUP](#)

Welcome to our round-up of the end of 2000 season

The autumn 2000 was an indifferent one for Little League as waterlogged pitches dogged fixtures in the second half of the season. However it was possible for the 7-a-side leagues to complete an amended League and Cup programme.

Matches throughout the season were postponed due to waterlogged pitches.

Press Secretary Michael Macey reported that these weeks of postponed matches were unprecedented. "The third Saturday of the season saw Little League Football called off, leaving many a disappointed Little Leaguer kicking their heels rather than a football!

"It has also left people wondering if this is some sort of record.

"The answer is that although we have lost three footballing Saturdays in the past, postponements have often fallen in January, February or even March and have not necessarily been in three successive weeks. This is

the first season I can remember in which we have had three weeks' matches postponed in a row in the pre-Christmas championships.

"Let's hope normal service will be resumed fairly soon, but when the footie does get underway again - as surely it must - no jokes about 'flooding the midfield' please!!"

Football did get underway again eventually but with limited fixtures. Finally a total of 7 weeks were lost. That meant nearly 140 abandoned or postponed matches! It is to be hoped that next year is more successful and the weather more kind and reliable.

League Tables for all Leagues - Autumn 2000

Last updated: 14th February 2001 to include 7-a-side Cup Groups

This page contains results tables for each of the leagues. Scroll down the page or click on on the table you wish to see.

NOTE: Due to too many Intermediate games postponed and weeks lost because of waterlogged pitches in autumn, an unprecedented committee decision was made on Dec. 2, 2000. The decision was to cut the number of games back to the half-way (autumn) stage of played five games. Although most Intermediate teams had already played six games each by the time of the meeting, these were declared "null and void" in a bid to catch up on fixtures and so start the New Year afresh.

However, not so many games were lost in the Seniors, so it was hoped that these would be completed.

12.00	Stripes 0 v 1 Dark Blue (Scalp Hunters)	Friendly
12.30	Yellow Tigers 1 v 2 Orange	FINAL

The Kingston Little league 7-A-Side Cup Final Day was held on Saturday 16th December 2000 on Latchmere Recreation Ground. The first game was a play-off from the rain-affected Cup Group games between Amber and Stripes. On a frosty pitch both teams battled hard to secure a Quarter-Final place and Stripes eventually ran out as 2 - 0 winners.

This was followed by the **Quarter-Finals**.

In Match A Whites were comfortable winners over Light Blue, the final result 3 - 0. In the game on the pitch designated the Tudor End there was an excellent game between Maroon and Orange, an early lead by Maroon was cancelled by a goal by Oranges and although both teams had their chances in the second half the Orange scored first and added a third at the end - final score 3 - 1.

The Quarter-Final between Greens and Red Hoops was on paper always going to be a close game and so it proved with the game going into extra time at 1 - 1. No goals in extra time meant a penalty shoot-out and two excellent saves by the Green's goalkeeper meant that they went through 2 - 0 on penalties and 3 - 1 overall.

Friendlies

The Quarter-Finals were followed by a number of friendly games between the losers of each of the Groups before two excellent Semi-Finals.

Semi-Finals

In the match between White's and Yellow's, the Yellow's eventually won 2 - 1 despite coming under pressure in the second half from a determined White's team battling to gain that final place. The other Semi-Final between Green's and Orange's was a pulsating game which was eventually won by Oranges 3 - 1.

A number of friendlies were then played by losers from the Quarter-Finals and winners and losers of earlier Friendly games.

Final

The final between Oranges and Yellow Tigers was a first class game that could have gone either way.

Oranges scored an early goal which David Stephenson helped to secure with a short pass to Jack Whitehouse, who was able to score into an effectively empty goal as Yellow's failed to clear their line. The Oranges then played exceptionally in defence to protect a slender lead and it would be difficult to select any one of their defenders for special praise as they all played their part. In the second half there was a break away goal by Orange's, the second for Jack Whitehouse. The Yellow's responded with a goal by Joshua Ayres but with time running out and some desperate defending the final whistle went with Orange's winning 2 - 1.

Trophies

The prize giving followed and medals were presented to all players who had not finished as either winners of the two leagues, the cup or runners-up in both competitions.

The Tudor End winners were Yellow Tigers with the PR Hairdressing sponsored Scalphunters (Dark Blues) in runners-up position. The School End winners were Red Hoops with Orange's as runners-up.

Next Season

The 7-A-Side starts again on 6 January 2001 - weather permitting.

Gala Day & Cup Finals June 17th 2001

Results for the day

Every year the league has a Gala Day. It is our main fund-raising event of the year. This year it was held on Sunday 17th June on Dinton Field.

Picture: *The Gladiators* game at last year's Gala Day.

Thank you for coming and spending the day (and your cash) with us, having huge fun, seeing some great football - including not one but two cup finals - and help us keep football for children alive and well in Kingston.

Picture: *Having a bouncy time together.*

Last year **Glenn Hoddle, patron of Little League Football®**, sent **this message**

"Please pass on my best wishes to all of the children taking part. This is a special event in the diary of Kingston Little League and I hope that all those involved will have a great day. Good luck to everyone-but most of all enjoy playing football!"

1. Each game will be 6 minutes each way. There will be 2 minutes between each half. 2 points will be awarded for a win and 1 point per a draw.
2. Group positions will be decided on points. In the event of a position being tied it will be determined by goal difference. Should teams still be tied, positions will be decided by total goals scored. Should this still result in a tied position, the position will be decided by the result between both teams. Should the result of that match be a draw then the position will be determined by the toss of a coin.
3. Both the Semi-Finals and Final will be the same duration as Group games. In the event of the scores being equal at full-time, extra-time will be played of 3 minutes each way. If the score remains tied then each team will take 3 penalties to determine the winner. If the game remains tied each team will take a penalty until one side misses.

National Competition Winners 2001

Picture: Michael Macey

Morden - Little League National tournament winners 2001.

The 25th National Tournament was held at a Nationwide Football League ground for the first time this year: Brisbane Road in East London, home of Third Division Leyton Orient, was the venue for a match which lived up to all expectations.

In the end it was Morden's strength, experience and sharper shooting skills which proved too much for a gallant New Addington side.

With just 10 minutes of the first half played, Morden's Harry Bayliss picked up a long up-field pass, took a few paces, and drilled an unstoppable shot past the stranded goalkeeper and into the near corner.

New Addington came back almost immediately with Scott Smith's powerful shot blocked by Christopher Beard. Morden though kept the upper hand with the more strident moves and Bayliss again combined with David Francis only to be foiled by the active Morden keeper.

Morden's keeper Kerry Wotten was kept busy at the other end by Charlie Stagg but the New Addington attack could not make their chances count, a free kick towards the end of the half was met powerfully in the air but the header was kept

out by the agile Wotton. In the meantime, Morden had several goals disallowed, New Addington's Aaron Leacock making some splendid covering tackles.

After the break, New Addington came close to levelling the scores. A good move on the right wing in the 59th minute found Luke Spiknell whose deft header provided a chance for Danny Pearcey who shot into the side netting.

As Lewis Clark excelled in defence, Morden put the game beyond reach with just 7 minutes left on the clock. Francis was released down the left cutting in to score with a crisp shot.

Dean Wells in the New Addington goal kept the game alive with a superb display, saving brilliantly at the feet of two in-rushing Morden forwards and making arguably the best save of the match from a powerful left wing cross-shot.

2-0 it ended, Morden the deserved victors. But it was no push over and New Addington should be congratulated for making this a match to remember.

Well done to both teams. A credit to the game and sure to be strong contenders both this time next year.

The Kingston Little league 7-A-Side Cup Final Day was held on Saturday 28th April 2001 on Latchmere Recreation Ground.

Because rain had prevented play on three Saturday's prior to the Cup Final Day it was not until Thursday 26th April that the final make up of the Quarterfinals were known.

The final Group games saw Maroons defeat a much-improved Light Blue side 2 - 1 to determine who was the winner and runner-up respectively in Group 3 and in the other game Oranges defeated Blue Hoops 3 - 2. This meant that Oranges secured their Quarter-final place from Group 4.

Despite heavy rain on Friday evening, Saturday morning started off bright and although all games were played on rain-affected pitches and it threatened to rain heavily again during the morning, the competition was finally concluded. There was some excellent football throughout the morning.

Quarter-Finals.

In the first Quarter-final games there were some close results. Whites v Dark Blues(The Scalp Hunters). This was a game that either side could have won and Blues' Joseph Stafford was unfortunate to see his flick over the Whites Goalkeeper cleared off the line in the last minute of normal play. In the first half of extra time Jonathan Ewing, the Dark Blues Goalkeeper was

desperately unlucky to concede the goal that gave Whites their victory after making a tremendous save from Josh Osborn, who was then able to follow up after the clearance rebounded at his feet. 1-0 the final score.

In another excellent game between Maroons and Oranges, an early lead by Maroons was held until the last 5 minutes when two goals by Oranges meant that they had booked their place in the Semi-Final with a 2 - 1 victory.

In the other quarter-final games Greens were winners over Ambers, the final result 1 - 0.

In the match between Yellow Tigers and Light Blues it was always anticipated that the result would go in favour of the Yellow Tigers. Despite spirited play from Light Blues the Yellows went 3 goals up before a consolation goal for Light Blues late in the second half.

Friendlies

As is normal the Quarter-Finals were followed by a number of friendly games between the losers of each of the Groups in these games Blue Hoops defeated Reds 2 - 0 and Red Hoops, who had missed out on a Quarter-Final place on goal difference defeated Stripes 2 - 1.

Semi-Finals

The match between White's and Yellow's went to extra time. Despite coming under pressure in normal play from a determined White's team battling to gain that final place, Yellow Tigers were able to hold on and take the game into extra time, Yellow's eventually winning 2 - 0.

The other Semi-Final between Green and Orange's was a pulsating game, which was eventually won by Oranges 1 - 0 with a great goal scored by Oliver Futcher.

Losers from the Quarterfinals then played a number of friendlies against the winners and losers of earlier Friendly games.

Final

The final between Oranges and Yellows was a repeat of the December 2000 final and Yellow Tigers were determined to take revenge for that match, which Oranges had won. Once again this was first class game that could have gone either way. Yellow Tigers scored an early goal through Kristian Dance. They held this lead well into the second half when Oranges scored a great equaliser by Michael Steward. Both sides had chances to finish the game but neither side could produce a goal and again extra time had to be played.

Yellow Tigers scored two goals in the first half of extra time, the first from Joshua Ayres and the second from Tom Palgrave. The game seemed all but over when Jack Whitehouse scored a second goal for Oranges with a minute left to play but they were unable to produce a third goal that would have taken the game to penalties. The final result being 3 - 2 to the Yellow Tigers.

Both sides played exceptionally well and it would be difficult to pick any one player as 'man of the match' but special mention should be made of Heather Offord for Oranges and Natasha James for Yellow Tigers they have both had excellent seasons in defence for their respective teams and will hopefully inspire other girls to play in Little League.

Prize Giving

The prize giving followed and trophies were presented to winners of the two leagues, the cup and runners-up in both competitions. The Tudor End winners were Yellow Tigers with the Oranges in runners-up position and the School End winners were Maroons with White's as runners-up.

The 7-A-Side starts again in September 2001 and there will be a 7-a-Side tournament held on Sunday 17th June at Kingston Little Leagues Gala Day on Dinton Field (weather permitting!)
